

Science Literacy Week is September 18-24!

The Biosphere Institute and the Canmore Public Library are working together on some great programs for all ages including after-school and Saturday programs. See <http://biosphereinstitute.org/cool-stuff/> for more info. The Biosphere Resource Centre's Science Literacy Open House is on Tuesday September 19 from 11 a.m. to 3 p.m. Teachers, classes and individual students are welcome to drop by to see the great environmental displays and check out the new science books for loan. The Science Writers' Gathering at the library on Thursday Sept 21 at 6:30pm, will feature 12 local science writers of adult and children's books, as well as magazine and newspaper writers and screenwriters. Don't miss it!
