

## LGMS BAND ORDER FORM

The following is a list of items that students may order from the LGMS Music Program. A uniform letter was sent home to all grade seven and eight band students regarding what they require for their first performance at the Vic Lewis Band Festival. Steve Burden; a grade seven band parent has kindly taken on ordering white and black shirts for our grade seven and eight band students. Please specify your order below with payment which can be made on parent portal or by cash or cheque. Cheques can be made out to LGMS. All orders can be handed in to the office.

Hoodies are optional for students. Hoodies are for grade seven and eight band students only. Hats will be available later for students in grade six, seven and eight band classes.

Most of the grade eight band students will have shirts from last year. If you have already purchased shirts for your son or daughter for their performances they do not require the shirt below. The shirts will be embroidered with an LGMS Band logo in royal blue to match the ties they will be wearing.
