

To Parents, Caregivers, Students, and all members of the LGMS Community,

We are happy to announce two important Parent Council initiatives!

Winter has arrived in Canmore and the LGMS Parent Council wants to make sure that everyone in our community has warm, cozy clothes. Because someday it's just colder than we thought it would be! And sometimes cozy mitts get left on the bus! So, please help us collect warm clothes so that every child at LGMS can be comfortable outside whatever the weather this school year. ***Donated items will be loaned or distributed by the office at their discretion.***

Clothes do not have to be new but should be clean and in good condition. Anything from a child's size 9 to an adult small or medium would be greatly appreciated. Please remove name tags before donation. Send items to school with your child or drop them off at the **LGMS office** before **December 1st**.

We are looking for:

- Warm and/or waterproof jackets
- Winter boots
- Toques/hats
- Gloves and mittens
- Buffs and scarves
- Snowpants
- Warm wool socks in good condition

The LGMS Parent Council strives to support the students, teachers, and administration of LGMS by fundraising for critical classroom supplies and extra-curricular materials. Over just the past year, Parent Council has supported the music program, purchased spin bikes for active education in the classrooms, replenished sports equipment, expanded the makerspace program, bought new microscopes for the science program, purchased new books for the library, and supported mental health and community-building initiatives. Please help us continue to assist the students and teachers at LGMS by purchasing your **holiday wrapping paper** from us! An order form with instructions and LGMS's school code is attached. **All orders must be received by November 25th and products will be distributed from the school the week of December 12th.** Thank you and Happy Holidays!

Thank you for supporting our LGMS community!!
