Lunch Supervision Program

Grade 4-6 students will remain on school property during the lunch hour. They will eat lunch in their classroom. Parents have been asked to complete the annual Demographic Form to indicate if their child will go home for lunch daily.

Grades 7 & 8 may leave the school site during lunch hour if parents indicate this on the demographic form. This is a privilege for our older students and we expect a high standard of conduct whilst students are downtown as they continue to represent our school. This privilege may be re-evaluated as the year progresses as we want to be mindful of the number of our students flooding the core of our town with no supervision.

Code of Conduct

Our expectations of conduct are:

- Respect yourself
- Respect others
- Respect property
- Respect environment

Activities or behavior which endangers the safety of students and/or staff, which infringes on the rights of others, or which shows disrespect to students, teachers, staff members or school or personal property will not be tolerated.

School Bus Services

Canadian Rockies Public Schools provide school bus service to Lawrence Grassi Middle School. Children are allowed just one bus stop after school – while you do not have to use the bus every day, when you do, it has to be at the same location.

- Routes and schedules are published on the CRPS website at www.crps.ca
- Please call the Transportation Department at 403-678-5545 to register or for more information.

Food for Learning

Food for Learning is a program available to students at Lawrence Grassi Middle School. The purpose of the program is to provide a nutritious snack and lunch to children who could benefit from a daily supplement of a nutritious, balanced meal. This program is supported by community and corporate donations and dedicated volunteers. It is a no-fee initiative. The program will begin the second or third week of school.
