

Dear Trailblazing Parents and Families,

This past week we had our first House activity of the school year. It was great to see our students mingling across grade levels in their Houses. We look forward to more opportunities to foster and build community here at LGMS.

### **A Few Things**

#### **Winter Dance and Social Grade 7 & 8 Students**

The LGMS Winter Dance is happening on **Nov. 28th from 6-8pm for all Grades 7 & 8 students**. Cost of entry into the dance is \$2. There will also be board games available in the gathering area.

We are looking for 6 more volunteers in order for the dance to go forward and ensure maximum safety and fun. We are also very short of donations for the concession stand which can include small bags of chips, granola bars, goldfish, candy, chocolate, sparkling water, juice boxes etc. Please provide new and unopened items. This is an easy way to help out if you can't give hours.

Let's come together and give our kids a fun night out with their friends. There will be prizes from BeaverTails, Panago Pizza & Old Tyme Candy! Rob Murray from Mountain FM will be our DJ and of course the much loved Photo Booth will be there.

Please email Cheryl at [cherylfraserisonline@gmail.com](mailto:cherylfraserisonline@gmail.com) or text 403-688-7292 if you can help. With gratitude, Cheryl

#### **Winter Concerts**

LGMS is excited to announce that we will be hosting our winter concert on **Wednesday, December 11th from 6:30pm until 7:30pm**. Guests will experience musical performances from grade 5 and 6 students. **Grade 7 & 8 Band** students will have the opportunity to perform in their own Winter Concert at **CCHS on December 5th starting at 7pm**.

#### **Parent Involvement**

We love parent involvement and hearing your voice! We recognize that parent involvement can look very different depending on time, resources and schedules. Here are some ways parents can get involved. We are also open to other ideas and feedback!

- Volunteering for field trips and classroom based activities
- Attending parent council meetings
- Completing school surveys - we use your voice to help guide initiatives
- Talking to your kiddos about what is going on at school
