#### **Circle of Support (Formerly Rainbows Program) Spring Session**

The Circle of Support is a support group for children and youth experiencing separation and divorce. It runs in all schools in Canmore (K-8) and is facilitated by a trained facilitator. The group is an open group and students can register throughout the school year. The spring deadline of March 24th is to help the facilitator of the Circle of Support Program create

groupings and organize space and time. The programming is delivered in schools, during school hours. To access this program please complete the attached letter which allows parents to self-identify if the program is a fit for their child(ren). Participation in this program is confidential and private. The letter can be submitted directly to the Circle of Support Program at [FCCAdmin@canmore.ca](mailto:FCCAdmin@canmore.ca). ### **The Alberta Education Assurance (AEA) Survey - Grade 7 Parents**

The Alberta Education Assurance survey gathers feedback on the quality of education provided by school authorities and their schools. Schools and school authorities use this information to understand how they are doing and plan for the future. Here at LGMS this information helps guide our Four Year Education Plan as well as drives our school initiatives. Parent feedback is very important to us. In accordance with Alberta Education all parents of grade 7 students will be invited to complete the survey. The parent survey package will be mailed out starting on February 18th. In the package parents will be directed to either complete the surveys online or return completed paper copies directly to Alberta Education. Requests for translations in one of the supported languages can be made to the System Assurance Branch ([EDC.SystemAssurance@gov.ab.ca](mailto:EDC.SystemAssurance@gov.ab.ca)).

### **Spring Dance - April 3rd 6-8pm**

The Spring Dance is just around the corner! The dance and social for all Grades 7 & 8 students is scheduled for the evening of Thursday April 3rd from 6-8pm. In order for the dance to go forward and ensure maximum safety and fun, we need a minimum of 18 volunteers. The volunteer positions include exit door security, concession stand, games station, and clean up. You can work 1 or 2 hours depending on your availability and can certainly work more hours for clean up.
